

A second pair of eyeglasses is of great value to your patient. With their 2nd pair your patients can save and enjoy the benefits on the second pair of eyeglasses.

Order 2nd pair for same patient at the same time with AR coating and get 50% Off - Valid for Succeed, Exceed Progressives, FT28 or SV. Both pair must have an AR Coating to qualify, choose either Granite Hard/Slick AR, Zeiss Carat Advantage, Zeiss SET or any of our fine AR Coatings.

Order Your First Pair & Receive

50% Off

The Lesser Priced Job.

MH Optical Supplies Spare Pair Program

Orders must be placed with our lab at the same time, for the same patient, for the same RX

Please specify and mark your orders "Spare Pair Program" when placing your spare pair orders via Fax, Internet or by Telephone

1st Pair	2nd Pair
Participating progressives include Seiko Succeed, iForm and MH's own Exceed progressive lenses. All materials are available including Transitions, Sunsenors, Higher index materials and Polarized lenses. One pair can be progressive lens, the other SV, FT or even a reading Rx for the same patient.	
Offer your patients the benefit of a 2nd pair or "Spare Pair" of eyeglasses.	

Get 50% off on the lesser-priced job. Mention the spare-pair program when you place your order. Pricing for this program based upon our current laboratory price list.

Account must be active and in good standing.
